

# Milbank Basketball School

Milbank Boys Basketball School is a  
weekday co-educational experience.

Our emphasis is on developing skills  
and team play. This program is  
designed to teach the fundamentals in  
the sport of basketball in a competitive  
learning environment.

The key to success and development is  
to compete at a level that will promote  
improvement. Divisional alignment  
through age and skill level allows for  
every player to have the opportunity to  
become thoroughly involved at the  
level of play that each has attained.
